College and Research Libraries is the official organ of the Association of College and Reference Libraries, a division of the American Library Association. It includes general articles, official reports, addresses of conference speakers, reviews of selected books, and news from the field of wide professional interest.

Manuscripts of articles and addresses should be addressed to the Office of the Editor, Columbia University Library, New York City 27. Requests for reprints should be addressed to Editor, *A.L.A. Bulletin*, American Library Association, 50 E. Huron St., Chicago 11, at the time the notification is received of the issue in which the article is scheduled to appear. The scope of the journal does not permit inclusion of personal communications or exhaustive coverage by reviews of the literature of librarianship.

To editors: Material in *College and Research Libraries* is not copyrighted. No comment or pronouncement can be cited as official endorsement of the Association of College and Reference Libraries or of the American Library Association. Such action can only be taken through a formal vote of the associations. The assumption of editorial responsibility is not to be construed necessarily as endorsement of opinions expressed by writers.

Subscription price: to members of the Association of College and Reference Libraries, \$3 per year; to others, \$4 in the U.S., Canada, and Latin America; in other countries, \$4.25; single copy, \$1.25.

Payment for subscriptions should be made to the American Library Association, 50 E. Huron St., Chicago 11.

Members of the American Library Association may become members of the Association of College and Reference Libraries by indicating this as the division of their choice when paying A.L.A. dues, without the payment of additional dues. A.L.A. members wishing to belong to more than one division must pay to the A.L.A. an additional 20 per cent of their A.L.A. dues for each additional division.

College and Research Libraries is published quarterly, January, April, July, and October at 50 E. Huron St., Chicago 11, Ill., by the American Library Association, and printed at 450 Ahnaip St., Menasha, Wis. Entered as second-class matter May 8, 1940, at the post office at Chicago, Ill., under the Act of March 3, 1879, with an additional entry at Menasha, Wis.

Change of Address

It is important for subscribers ordering a change of address to give three weeks' notice, to provide both their old and new addresses, and to send the information to *College and Research Libraries*, Subscriptions Department, American Library Association, 50 E. Huron St., Chicago 11, Ill.

Low-cost, efficient lighting for narrow stack aisles designed by SNEAD & Co.

Snead Stack Aisle Light Reflector

End view of aisle (above), showing how Snead Reflector distributes light of an even intensity on upper and lower shelves. Diagram below shows top view of aisle. Note even light distribution along aisle and absence of glare.

SNEAD & Company

Division of Angus Snead Macdonald Corporation
Orange Virginia Phone Orange 2501

The Snead Reflector was designed with a perforated reflecting surface especially for the peculiar and exacting requirements of illuminating narrow aisles between book ranges. It is made from a single piece of heavy gauge aluminum, shaped and perforated according to exact mathematical calculations, so that some of the light rays that ordinarily fall on the nearest books are reflected to the more remote books. This tends to equalize the general illumination.

To secure the same intensity of light on lower shelves as with Snead Reflectors, ordinary fixtures would require larger lamps with greater power consumption and objectionable glare.

The cost of Snead Reflectors is very moderate. *Due to new manufacturing facilities they are at prewar levels.* Snead Reflectors are unbreakable, simple to install, easy to keep clean without removal, and lamps may be replaced readily. The satin-smooth interior reflecting surface offers little opportunity for dirt or dust to adhere. Eyes of persons are shielded from glare by the solid baffles facing the axis of the aisle.

Snead & Company offers librarians and architects the benefit of its vast experience in solving problems of illumination. We will gladly cooperate in the selection of suitable types of illumination and fixtures, including the modern Louverall Ceiling, for reading rooms, carrels, and other rooms, without obligation.

SNEAD PRODUCTS
